**ORDER**

15 CR 402 (VB)

-----X

In response to the Court's Order of May 1, 2020 (Doc. #69), the government has advised the Court that it is not willing to waive the administrative exhaustion requirement set forth in 18 U.S.C. § 3582(c)(1)(A) with respect to defendant's motion for a reduction of sentence (Doc. #70). It is not clear from the government's letter of May 7, 2020, whether the government has mailed a copy thereof to defendant. If it has not already done so, the government shall mail a copy of its May 7 letter to defendant.

Accordingly, consistent with the Court's May 1, 2020, Order, the motion is DENIED WITHOUT PREJUDICE to re-filing after the administrative exhaustion requirement has been satisfied.

Chambers will mail a copy of this Order to defendant at the following address:
